Design: Christophe Mathieu / 2017

Typology: Pendant Lamp

Environment: Indoor

Technical description:

Drip is an extensive family of luminaires designed for all types of applications, from residential & hospitality applications to retail and corporate.

One of the qualities of this program is the ease of maintaining in terms of functionality and cleanliness. The glass can be cleaned with easy removal from the structure. It does not have screws. Water and non-abrasive soap can be used for cleaning. LED source change: In case one of the LEDs does not work, the lamp has an individual electronic system that allows the luminaire to continue working.
