BASALT LAUNCH 2018

*Inspired by the thousands of extruded basalt columns that make up the Giant's Causeway, Basalt unites sandcast solid brass and mouth-blown glass to evoke nature's magnitude.*

*From our origins as bulb and fixture manufacturers,  
we're ready to reveal our first fully holistic lighting solution.*

*Description:*

Irregular hexagonal columns emitting an ambient light, inspired by the epic rock formations of the Giant's Causeway

*Materials:*

Translucent matte borosilicate glass, solid sandcast brass, dimmable LED

*Process:*

Mouth-blown glass, hand-assembled, sandcast\* brass finish.

\*low production volume,  
low environmental impact

*Features & Benefits:*

Infinite display possibilities thanks to modular ceiling nodes

*Reason why:*

Heightened tactile experience that brings us closer to nature

*With a delicately angular form, the Basalt Ceiling Light is an expression of nature's mathematical beauty.*

*The distinctive irregular hexagonal pattern is reimagined for the modern interior, seamlessly combining robust materials with ambient lighting to enhance the mood of a space.*

*Comprises:*

- 3 translucent matte borosilicate glass LED bulbs in different sizes
- 3 uniquely shaped sandcast and polished solid brass pendants with 4.5 metre black anti-kink cords
- 3 sandcast and polished solid brass nodes
- 1 ceiling rose that houses all three pendants and connector cable
- 1 connector cable that joins multiple units together as unified system

*Specifications:*

## BULBS

120 / 240V 2700K CRI >95

**Bulb I**

4W, 300 Lumens  
Ø55mm x L219mm

**Bulb II**

6W, 450 Lumens  
Ø55mm x L267mm

**Bulb III**

8W, 600 Lumens  
Ø55mm x L335mm

## PENDANTS

Max Wattage 60W

**Pendant I**

Ø55mm x H74mm

**Pendant II**

Ø56mm x H75mm

**Pendant III**

Ø58mm x H74mm

## FITTING

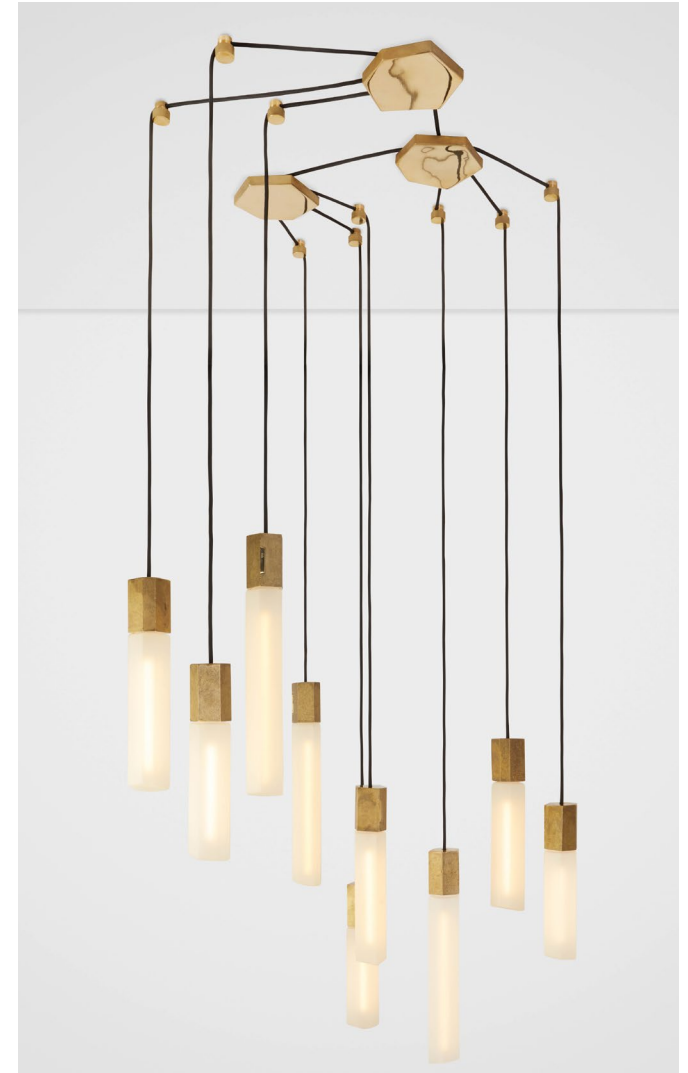

**Ceiling Rose**

Ø80mm x H25mm  
4.5m Black anti-kink cord

*Infinite display possibilities*

The constellation-like ceiling network of nodes and connector cables makes this piece super adaptable, whilst enabling multiple units to join together.

*Celebrating the incredible versatility of brass,  
the Basalt Touch Lamp exudes an understated  
elegance that showcases the robust material's  
timeless allure.*

The interplay between smooth and textured finishes makes this a highly tactile experience for its user, culminating in the three-step touch dimming control integrated into the body.

*Specifications:*

120 / 240V,  
Luminaire Class II  
Three-step touch dimming

**Bulb**

Ø55mm x L267mm  
6W, 450 Lumens  
2700K, CRI > 95

**Touch Lamp**

87mm x 141mm
